He's Just a Runaway

Sister Sledge

He's just a runaway
runawayHe'll run and break your heart.
He's just a runaway
runawayHe'll run and break your heart.She was stanging there all alone
had no money left.
Love hangs on the phone
no one's home.
It was Saturday
getting hot
conscious walked away.
Can his heart be caught? Love is not bought.
Still she wants.He's just a runaway
runaway
. . .
Yes
he has honest eyes and a lovely face.
It happens ev'ry time. Innocence lies -
But the weekend pass on reality
Served to bring him backLove was just an act for so long - now he's gone.
He's just a runaway
runaway
. . .
He's just a runaway
runaway
. . .
yes
he has honest eyes and a lovely face. . . .He's just a runaway
runaway
. . .
He's just a runaway
runaway
. . .
