

# Fallen

## Fields of the Nephilim

If you could see what I have seen  
Would you take the dream?  
Or would you drown?  
No way for us  
But one way back  
Sweet misery  
You have found

If you could see what I have seen  
Don't let me fall, don't let me fall  
If you could see what I have seen  
Don't let me fall  
I see a fire in your eyes  
Burning us love that never dies  
Lost in this place, forever more  
Can't see you fame until we fall  
Don't let me fall (killing me now, burning me down)  
Don't let me fall  
Misery now, holding me down  
Right to the core  
Consider pain until you fall  
Consider pain until you fall (If you could see what I have seen)  
Can't give up  
Can't give it all  
I give you????!  
I see a fire in your eyes  
Burning us love that never dies  
Lost in this place, forever more  
Can see your thing, until we fall  
Don't let me fall (killing me now, holding me now)  
Don't let me fall (misery now, order me now)  
Right to the core.  
Carying me now, holding me down  
Don't let me fall  
Misery now, holding me down  
Right to the core  
Can't get away  
Can't get away  
If you could see what I have seen  
If you could see what I have seen
