# We'll Be Together

## grease 2 soundtrack

I'm not alone
Even when we're apart
I feel you in the air, yeahI'm not afraid
I know what you're thinking
I can hear you everywhereSome people say it'll never happen
And we're just wasting time
But good things come when you least expect them
So I don't really mindWe'll be together come whatever
I'm not just staring at the stars
Just remember
That no one else can tell us who we areWe'll be together
So don't ever stop listening to your heart
'Cause I can't turn mine offI can't pretend
This is a rehearsal for the real thing
Because it's notAnd I know we're young
But I can't help feeling what I'm feeling
And I won't stopSome things are meant to be
And they'll be there when the time is right
Even though I know that I swear
I wish it was tonightWe'll be together come whatever
I'm not just staring at the stars
Just remember
That no one else can tell us who we areWe'll be together
So don't ever stop listening to your heart
'Cause I can't turn mine offOoh, yeah, I like what's happening to me
Ooh, yeah, nothing else to say
Ooh, yeah, somebody finally got to me
And carried me awayWe'll be together come whatever
I'm not just staring at the stars
Just remember
That no one else can tell us who we areWe'll be together
So don't ever stop listening to your heart
'Cause I can't turn mine offWe'll be together come whatever
Whatever, whatever, whatever
I'm not alone
Even when we're apart, I feel you
