

Cruisin'

Gwyneth Paltrow

Baby let's cruise away from here
Don't be confused, the way is clear
And if you want it, you got it forever
This is not a one night stand baby, yeah So, let the music take your mind
Just release and you will find You're gonna fly away, glad you're goin' my way
I love it when we're cruisin' together
Music is played for love, cruisin' is made for love
I love it when we're cruisin' together Baby tonight belongs to us
Everything right, do what you must
And inch by inch we grow closer and closer
To every lil' part of each other, ooh baby yeah So let the music take your mind
Just release and you will find You're gonna fly away, glad you're goin' my way
I love it when we're cruisin' together
Music is played for love, cruisin' is made for love
I love it when we're cruisin' together Cruise with me baby, ooh yeah ooh
Ooh baby, let's cruise, let's float, let's glide
Ooh, let's open up and go inside And if you want it, you got it forever
I could just stay here beside you and love you baby
Let the music take your mind
Just release and you will find You're gonna fly away, glad you're goin' my way
I love it when we're cruisin' together
Music is played for love, cruisin' is made for love
I love it when we're cruisin' together You're gonna fly away, glad you're goin' my way
I love it when we're cruisin' together
Music is played for love, cruisin' is made for love
I love it when, I love it, I love it, I love it, ooh
Cruise with me baby, I love it when we're cruisin together
