Cry Little Sister

Gerard McMann

(Theme from the Lost Boys)A last fire will rise behind those eyes
Black house will rock, blind boys don't lie
Immortal fear, that voice so clear
Through broken walls, that scream I hearCry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not killBlue masquerade, strangers look on
When will they learn this loneliness?
Temptation heat beats like a drum
Deep in your veins, I will not lieLittle sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not killMy Shangri-Las
I can't forget
Why you were mine
I need you nowCry, little sister - Thou shall not fall
Come to your brother - Thou shall not die
Unchain me, sister - Thou shall not fear
Love is with your brother - Thou shall not kill
