

# Warm

## Claire Voyant

Here, hold my breath  
Feel the tremble I know best  
The fear in my mind is the echo in my heart  
Cold and plain  
As you watch me  
Fall apart These tears are warmer than the sun  
The heart I share with you  
Maybe manic or diseased  
But always true  
If you keep me here you can chase away this pain...  
I'm warm again and in your light I'll stay  
These tears are warmer than the sun
