Rest

Big Daddy Weave

To all who are weary and those who are heavy laden
Lay at the feet of the one who loves you best
Bring all of your trials and all of your tribulation
Come unto me and I will give you restI will give you rest
I will give you rest
I will give you restI take my yoke upon you come and learn from me
For I am humble in spirit and so you must also be
And Lo I will be with you in the midst of every test
If you run unto me, I will give you rest
I will give you rest
I will give you rest
I will give you rest
I will give you restI will give you rest
I will give you rest
I will give you rest
I will give you rest
I will give you rest
I will give you rest
I will give you rest
I will give you rest
