

Issues

The Saturdays

Ooooh yeah

Sometimes I fell like I'm going out of my mind,

Boy the way you do me is a damn crime,

Then you smile at me and its alright,

With you, there ain't no in between.

Every time that I walk out the door, tell myself I won't take it no more,

There's a part of me won't let you go,
Keep saying yes when my minds saying no,

[Chorus]

Me and my heart we got issues
Don't know if I should hate you or miss you,
Damn I wish that I could resist you
Can't decide if I should leave you or kiss you,
Me and my heart we got issues,issues,issues
We got issues,issues,issues

Its so wrong, boy you leave me hanging for so long yeah, empty out my love until its all gone,

You change the words but still its the same song,

I'm tired of the melody

Change my number and throw out your clothes,

But my feelings for you, it still shows

I keep building a wall round my heart

But then I see you, and it all falls apart

[Chorus]

Why fight it, can't hide it

Truth is I think I like it

Confusion,illusion

Still I don't know which way to go

[Chorus x2]

Me and my heart we got issues, issues, issues
We got issues issues
We got issues issues
We got issues issues

Me and my heart we got issues
Don't know if I should hate you or miss you
