## Mötley Crüe

(It's all about the sex)

Never really had a reason  
Never really cared  
We're the dogs and the heathans, yeah

Never tell you what you're thinking  
Let me tell you why you're here  
This is not a new religion

Everybody wants some, what the hell  
Everybody needs some, everybody yell

Ohh (Ohh) , No (No)  
Dont need no lovin, no respect  
Cos it's all about the sex (SEX!)  
Cos it's all about the

Ohh (Ohh) Yeah (Yeah)  
What gets me off is a little neglect  
Cos its all about the sex (SEX!)  
Its all about the

Well she don't need her treatment  
Or a scientific cure  
I'm the one that you resist

You can call it what you want to  
It doesnt matter anyway  
With the worst of intentions  
Ohh no, yeah

Everybody wants some, what the hell  
Everybody needs some, everybody yell

Ohh (Ohh) , No (No)  
Dont need no lovin, no respect  
Cos it's all about the sex (SEX!)  
Cos it's all about the

Ohh (Ohh) Yeah (Yeah)  
What gets me off is a little neglect  
Cos its all about the sex (SEX!)  
Its all about the...

Whoah Whoah  
Its all about the  
Whoah Whoah  
Yeah Its all about the  
Whoah Whoah

Ohh (Ohh) , No (No)  
Dont need no lovin, no respect  
Cos it's all about the sex (SEX!)  
Cos it's all about the

Ohh (Ohh) Yeah  
What gets me off is a little neglect  
Cos its all about the sex (SEX!)  
Its all about the

Whoah Whoah  
Its all about the  
Whoah Whoah  
Yeah Its all about the
