

# Pray for You

[Sara Evans](#)

Sometimes I wish I could run  
Home to mama's lovin' arms  
In the springtime when the weather's fine  
Sittin' with her on the porch  
Glass of tea and nothin' more  
Than her smile, for just a little while  
When I don't know where to go  
I think of home and how she used to sing to me  
She sang  
Que Sera, Sera life goes on  
Whatever's meant to be will always be  
And baby, what don't kill you will make you strong  
Just love the journey that you're on  
In all you do, I'll pray for you  
Wild horses and fairy tales  
Sometimes turn into somethin' else  
That you never saw comin' at you at all  
So I guess I'm callin' just because  
He wasn't who I thought he was  
And I can't believe he stopped lovin' me  
So when I'm feelin' all alone  
I think of home and how you used to sing to me  
Que Sera, Sera life goes on  
Whatever's meant to be will always be  
And baby, what don't kill you will make you strong  
Just love the journey that you're on  
In all you do, I'll pray for you  
I got babies of my own  
And I'm the one they're countin' on  
To be here for every little tear, and I'll sing  
Que Sera, Sera life goes on  
Whatever's meant to be will always be  
And baby, what don't kill you will make you strong  
Just love the journey that you're on  
In all you do, I'll pray for you  
In all you do, I'll pray for you
