Unwell (Video)

Matchbox Twenty

All day staring at the ceiling
Making friends with shadows on my wall
All night hearing voices telling me
That I should get some sleep
Because tomorrow might be good for somethingHold on
Feeling like I'm headed for a breakdown
And I don't know whyBut I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be, meI'm talking to myself in public
Dodging glances on the train
And I know, I know they've all been talking about me
I can hear them whisper
And it makes me think there must be something wrong with me
Out of all the hours thinking
Somehow I've lost my mindBut I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to beI've been talking in my sleep
Pretty soon they'll come to get me
Yeah, they're taking me awayBut I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to beHey, how I used to be
How I used to be
Well, I'm just a little unwell
How I used to be

How I used to be
I'm just a little unwell
