

# Needle in the Hay

**Brett Fuentes**

Seems I'm losing days  
Now I wanna take 'em back  
Yes a poor life's hard  
What you gonna do with that? This needle in the hay  
Gonna make you crazy for me And so we're here  
And then we're gone  
Take the time  
For what you like This needle in the hay  
Gonna make you crazy for me Yes I'm here for a sweet rhythm  
I wanna dance with a lot of rhyme  
Let your light shine  
Let me drink your fine wine This needle in the hay  
Gonna make you crazy for me You feel alright?  
Are you feeling fine?  
You feel alright?  
I hope you do  
This needle in the hay  
Gonna make you crazy for me
