

Honey, This Mirror Isn't Big Enough for the Two of

My Chemical Romance

The amount of pills I'm taking counteracts the booze I'm drinking
And this vanity I'm breaking, lets me live my life like this
And well, I find it hard to stay with the words you say
Oh baby, let me in, oh baby, let me in Well, I'll choose the life I've taken, never mind the friends I'm making
And the beauty that I'm faking lets me live my life like this
And well, I find it hard to stay, with the words you say
Oh baby, let me in, oh baby, let me in And you can cry all you want to, I don't care how much
You'll invest yourself in me, we're not working out, we're not working out
And you can't touch my brother and you can't keep my friends
And we're not working out, we're not working out
This time I mean it, never mind the times I've seen it Well, I hope I'm not mistaken by the news I heard from
waking
And it's hard to say I'm shaken by the choices that I make
And well, I find it hard to stay with the words you say
Oh baby, let me in, oh baby, let me in Well, I'll choose this life I've taken, never mind the friends I'm making
And I get a little shaken because I live my life like this
And well, I find it hard to stay with the words you say
Oh baby, let me in, oh baby, let me in And you can cry all you want to, I don't care how much
You'll invest yourself in me, we're not working out, we're not working out
And you can't keep my brother, and you won't fuck my friends
And we're not working out, and we're not working out
This time I mean it, never mind the times I've seen it Never again, never, never again
Never, never, never, never again
Never, never, never Oh baby, let me, oh baby, oh baby, oh baby, let me in
Oh baby, let me in, I'm knocking, let me in
Oh baby, let me in, oh baby, let me in
Oh baby, let me in, oh baby, let me in
Oh baby, let me in
