

# It Won't Be the Same

## World5

It won't be, it won't be, it won't be the same  
It won't be, it won't be when love finds you again  
It won't be, it won't be me by your side  
It won't be, it won't be my love that keeps you satisfied  
We both know that it's over  
Now that you've found somebody new  
And girl I have to admit  
That I probably will too  
I know I'll be in the back of your mind  
A great love is so hard to find  
It won't be, it won't be, it won't be the same  
It won't be, it won't be when love finds you again  
It won't be, it won't be me by your side  
It won't be, it won't be my love that keeps you satisfied  
Life goes on without each other  
And you know it's really not that bad  
We can't change what's happened in our lifetime  
But it will never be what we had  
I know you will be in the back of my mind  
'Cause a great love is so hard to find  
It won't be, it won't be, it won't be the same  
It won't be, it won't be when love finds you again  
It won't be, it won't be me by your side  
It won't be, it won't be my love that keeps you satisfied  
Ooooh baby after all these years  
We both say that it's over  
But we both know that it's not true  
It won't be, it won't be, it won't be the same  
It won't be, it won't be when love finds you again  
It won't be, it won't be me by your side  
It won't be, it won't be my love that keeps you satisfied
