Heart Attack

Raphael Saadiq

You given me a heart attack, girl, I want you back
I just can't stand it no more
You given me a heart attack, girl, I want you back
My heart can't take it no more
Do you know how it feels
When the pain feels like it can kill?
It just knocks you to the floor
You screaming her name like she's next door
It brings you down to your knees
Got me screaming, baby, come home please
You given me a heart attack, girl, I want you back
I just can't stand it no more
You given me a heart attack, girl, I want you back
I just can't take it no more
Well, I find myself talking to myself
Looking for love from somebody else
But then I figured out it's not you
My heart drops to my shoes
See I heard, you're not coming back
From another, some other cat
You given me a heart attack, girl, I want you back
I just can't stand it no more
You given me a heart attack, girl, I want you back
I just can't take it no more
You given me a heart attack
You given me a heart attack
You given me a heart attack
And I want you back right now, oh yeah
