Colby O'Donis

We got ya boy romeo, hey yo Colby you ready, let's go whats up Akon
I go by the name of Colby O, Konvict Muzik[Verse 1]
When I get money I spend it on the bills but my baby shes the exception
To the rules you might wanna call it obsession but this to my heart
It's just a natural progression and I know that she and me can work things out,
If things get tough, that's why shes a keeper that's why shes a keeper.[Bridge]
No one but you seems to get me they try to sweat me saying baby make
Me cum bed me even if they sexy it don't matter cause my heart won't
Let me put my other feelings aside, and I don't care what the other
Guys say they just jealous cause they don't have you,
They don't have you girl, they they they don't have you girl.[Chorus]
Baby they wanna take you away from me, but that's not gonna happen not
To us oh no, they wanna take you away from, but the bond we have is stronger
Than they know, they wanna take you away from me, I ain't your average Joe,
They wanna take you away, they they wanna take they wanna take take you away.[Verse 2]
I never thought that I'd let this get to me, telling all my friends she and
I would never be closer than what all they expected but I still made sure
That she was always respected, cause I know she possibly could be the one
If things get tough that's why shes a keeper that's why shes a keeper[Bridge][Chorus]Cause it's it's official official girl, now that you be in my world,
In my world your my crystal no no girl be looking fly cause your the one
That got my eye, come and set it off, let it let it off, I'll never stop
If you stick by my side,[Romeo]
Shes such a vibrant thing a vibrant thing how she work that thing
And twurk that thing and I give a chance so she could hang with a boss
For days and still no name, kellis chick ya shes kinda bossy,
I never did time cause them years'll cost me new six ain't color of coffee
And I stay iced out like my name was frosty, see shorty she the different
Type take home to mother might make ya wife, walk like a model but the
Thugish type pops taught the game so I play it right, she with me and I'm
Labeled a prince, you ain't never had a girl like this, no no, Colby o
The games a rap tell them other cats to take a nap yea[Chorus]
