Let It Rock (Re-Recorded)

Chuck Berry

In the heat of the day down in Mobile Alabama
Working on the railroad with the steel driving hammer
I gotta get some money to buy some brand new shoes
Tryin' to find somebody to take away these blues
"She don't love me" hear them singing in the sun
Payday's coming and my work is all doneWell, in the evening when the sun is sinking low
All day I been waiting for the whistle to blow
Sitting in a tee pee built right on the tracks
Rolling them bones until the foreman comes back
Pick up you belongings boys and scatter about
We've got an off-schedule train comin' two miles outEverybody's scrambling, running around
Picking up their money, tearing the tee pee down
Foreman wants to panic, 'bout to go insane
Trying to get the workers out the way of the train
Engineer blows the whistle loud and long
Can't stop the train, have to let it roll on
