I write you from a far country
North of Africa, it is Algeria
And my city is OranI know you'll find this letter strange
That is because I am strangeMy first name is Amal
And I'm a girl, I'm a girl, la la
My first name is Amal
And I'm a girl, I'm a girl, la la
My first name is Amal, I'm a girlI am a Norwegian boy
Which have some question
I have only 13 years
And I am crazy of youCan I have a souvenir?
And if you can, a wick of hair?
Send me documents
And a photo of you aloneHere's my photo, dedicace
One of you would be canon
I worship all your handsome words
To me you seem giantYou're so cool but you know that
I hope your letters never stopYou are surely special, I like you, I like you, la la
You are surely special, I like you, I like you, la la
You are surely special, I like you, I like you, I like you
You are surely special, I like you
