I Believe

Russell Watson

One day I'll hear the laugh of children In a world where war has been banned One day I'll see men of all colors Sharing worlds of love and devotionStand up and feel the Holy Spirit Find the power of your faith Open your heart to those who need you In the name of love and devotionYes, I believe, I believe in the people of all nations To join and to care for love I believe in a world where light will guide us And giving our love we'll make heaven on earthI believe in the people of all nations To join and to care for love I believe in a world where light will guide us And giving our love we'll make heaven on earthYes, I believe, I believe in the people of all nations To join and to care for love I believe in a world where light will guide us And giving our love we'll make heaven on earthI believe
