

Another Number

The Crips

I'm alone, and i'm cold,
Just another number
on another road (x2)(Ooooooooooh)
And I never knew my name
(Ooooooooooh)
And i never knew my name I'm alone, and i'm cold,
Just another number
on another road (x2) I dissapear for hours,
over the smallest things, yeah.
I dissapear for hours,
BaDa, BaDaDa, BaBa, BaDaDaDa, BaDa, BaDaDa, BaBa, BaDaDaDa(Ooooooooooh)
And i never knew my name
(Ooooooooooh)
And i never knew my name
