Diddley Daddy

Stones Outs

Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
I got a baby that's oh so pretty
I found her out here in this knock dead city
Somebody kissing my baby last night
My baby said, "Junior, that's all right"
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Baby, now baby, understand
Jimmy looks good but he's a half a man
Roy looks cool but he's oh so cold
And then a big old junker gonna wreck your soul
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Two orphan babies were lyin' in the bed
The bigger one talked to Jimmy and said
"Love you Jimmy with all of my heart"
Jimmy woke up and tore the place apart
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
Hey baby, now baby, hear my scene
I wanna know if you do love me
I love you baby with all my heart
Oh, please don't ever say we will part
Diddley, diddley, diddley, diddley daddy
Diddley, diddley, diddley, diddley daddy
A be by bick, you by, go go go, yeah
