

Decision

Go Back to the Zoo

Make a decision
'Cause there's a timebomb ticking in my head tonight
I'm under your eyes
I've gotta swim to the dark, but it doesn't feel right
I've been a stranger
And this clothes don't fit me anymore
I got to make a decision
And I hope that you will be alright
'Cause I know that love is a better place
But you know that I can't stay
I don't
I don't
I don't feel like I'm in love with you anymore
I don't
I don't
I don't feel like I'm in love with you anymore
And every mission
I've ever followed seems so simple now
And I feel your heartbeat
I tear it out with my hands like an animal
I have no reflection
I've been sleeping in a bed with my shoes still on
I can't believe what I'm singing
'Cause I know that we were beautiful
'Cause I know that love is a better place
But you know that I can't stay
I don't
I don't
I don't feel like I'm in love with you anymore
I don't
I don't
I don't feel like I'm in love with you anymore
I don't, I don't, I don't
I don't, I don't, I don't
I don't, I don't, I don't feel like I'm in love with you anymore
I just want you to know how I feel
I just want you to know how I feel
I just want you to know how I feel
I just want you to know how I feel

I just want you to know how I feel
I just want you to know how I feel
I just want you to know how I
I just want you
I just want you
I just want you
I want you to know how I feel
I don't feel like I'm in love with you anymore
I don't
I don't
I don't feel like I'm in love with you anymore
I don't, I don't, I don't
I don't, I don't, I don't
I don't, I don't, I don't
I don't, I don't, I don't
I don't
