The Inversnecky Bus

Harry Gordon

When you travel nooadays ye never mak a fuss
Ye walk a few days doon the road an' then jump on a bus
The Invesnecky bus is go na to be the wan this summer
We.ve got a double decker an a tell yu its a hummer
I,t faste than a taxi and its quicker thin the subby
An it disna matter tuppence if the road are dry or dubby

Aberdeen tae Invesnky an Inversnecky back tae Aberdeen
I go up and doon the stair collectin aw the fares
Watchin ah the courtin couples sitin there in pairs.
First stops the Mill Inn the the Brig o. juks
The bus is awfu comfy thow its shacky
If the drive canna see he'l go aff anf hit a tree
When ye cum doon yell mabe land in Invesnecky
