

How Do You Do

No Sports

I see you comb your hair and gimme that grin

It's making me spin now, spinnin' within

Before I melt like snow, I say, 'Hello'

How do you do?

(How do you do?)

I love the way you undress now, baby begin

Do your caress, honey, my heart's in a mess

I love your blue eyed voice like Tiny Tim shines through

How do you do?

(How do you do?)

How do you do, do you do, the things that you do?

No one, I know could ever keep up with you

How do you do?

Did it ever make sense to you to say, bye, bye, bye?

How do you do, do you do, the things that you do?

No one, I know could ever keep up with you

How do you do?

Did it ever make sense to you to say, bye, bye, bye?

How do you do?

How do you do?

How do you do?

I see you in that chair with the perfect skin

Well, how have you been, baby, livin' in sin?

Hey, I gotta know, did you say, 'Hello'

How do you do?

(How do you do?)

Well, here we are spending time in the louder part of town

And it feels like every thing's surreal

When I get old I will wait outside your house

'Cos your hands have got the power meant to heal

How do you do, do you do, the things that you do?

No one, I know could ever keep up with you

How do you do?

Did it ever make sense to you to say, bye, bye, bye?

Oh, how do you do, do you do, the things that you do?

No one, I know could ever keep up with you

How do you do?

Did it ever make sense to you to say, bye, bye, bye?

How do you do, do you do, the things that you do?

No one, I know could ever keep up with you
How do you do?
Did it ever make sense to you to say, bye, bye, bye?
