Stardust (Original Instrumental Version)

Hoagy Carmichael

Sometimes I wonder
Why I spend the lonely nights
Dreaming of a song
The melody
Haunts my reverie
And I am once again with you
When our love was new
And each kiss an inspiration
Oh, but that was long ago
Now my consolation is in the stardust of a songBeside a garden wall, when stars are bright
You are in my arms
The nightingale
Tells his fairytale
Of paradise, where roses grew
Though I dream in vain
In my heart, it will remain
My stardust melody
The memory of love's refrainThough I dream in vain
In my heart, it will remain
My stardust melody
The memory of love's refrain
