

# Isms

## Dog Eat Dog

You come on over right through my front door  
Strapped with all your baggage, what you bringin' that for?  
Don't want no disrespect 'cuz we all know the score  
But you need to put time in at the common sense store  
Yes, yes, y'all, you're brain washed all in your head  
Let's make one thing crystal clear  
We don't want no ism here  
How you say you hate me and you're not ashamed  
It's just insecurity that's causing you pain  
Well, if you can't get past that, we are not the same  
Then realize that ism is a part of the blame  
Racism, we don't want it here  
Sexism, we don't need it here  
Fascism, we don't want it here  
Keep that ism out of my ear
