One Minute Man

Missy 'misdemeanor' Elliott

Ooh, I dont want, I dont need
I cant stand no minute man
I dont want no minute man
Ooh, heres your chance be a man
Take my hand understand
I dont want no minute manBoy I'ma make you love me, make you want me
And I'ma give you some attention, tonight
Now follow my intuitions, what youre wishin'
See I'ma keep you all night, for a long time
Just start countin' the waysBreak me off, show me what you got
'Cause I dont want, no one minute man
Break me off, show me what you got
'Cause I dont want, no one minute manBreak me off, show me what you got
'Cause I dont want, no one minute man
Break me off, show me what you got
'Cause I dont want, noTonight I'ma give it to you, throw it to you
I want you to come prepared, oh yeah
Boy its been a long time, a crazy long time
And I dont want no minute man and thats real
Give it to me some moreBreak me off, show me what you got
'Cause I dont want, no one minute man
Break me off, show me what you got
'Cause I dont want, no one minute manBreak me off, show me what you got
'Cause I dont want, no one minute man
Break me off, show me what you got
'Cause I dont want, noYeah, it's time to set yo' clock back bout as long as you can
I stop daylight and Ludacris the maintenance man
Get your oil changed, I check fluids and transmission
You one minute fools, you wonder why y'all missin'
On the back of milk cartons and there's no reward
No regards, close but it's no cigarA hard head make a soft ass, but a hard dick make the sex last
I jump in pools and make a big splash
Water overflowin', so get your head right
It's all in yo' mind punk so keep your head tight
Enough with tips and advice and thangs
I'm Big Dog, havin' women seein' stripes and thangsThey go to sleep, start snorin', countin' sheep and shit
They so wet, that they body start to leak and shit
Just 'cause I'm an all nighter, shoot all fire
Ludacris, balance and rotate all tiresOoh, I dont want, I dont need

I cant stand no minute man
I dont want no minute man
Ooh, heres your chance be a man
Take my hand understand
I dont want no minute manBreak me off, show me what you got
'Cause I don't want, no one minute man
Break me off, show me what you got
'Cause I don't want, no one minute manBreak me off, show me what you got
'Cause I don't want, no one minute man
Break, break me off, break, break me off
Break, break me off, show me what you gotBreak me off, show me what you got
Break me off, show me what you got
Break, break me off, show me what you got
Break me off, break, break me off
