# Back In Your Arms Again

## The Mavericks

Back in your arms againOnce I said I never want your love again
You showed up to night and proved me wrong
Things I said I'll never do since you and I were through
But here I am back in your arms againI heard from someone that you were back in town
I knew I couldn't stay away
No matter how I tried this love won't be denied
And here I am back in your arms again
Woo here I am back in your arms againI should know better
Oh what does it matter to a love sick fool
I know I said never but I know forever I'll come back to you
I'll keep coming back to youI should know better
Oh what does it matter to a love sick fool
I know I said never but I know forever I'll come back to you
I'll keep coming back to youOnce I said I never want your love again
You showed up to night and proved me wrong
Things I said I'll never do since you and I were through
But here I am back in your arms again
