

# Dying Man

## The Babys

Come on sugar, you know I love you so  
I ain't got much time before I go I'm a dying man, yeah, that's all I am  
I'm a dying man, that's all I am So, help me baby, come on baby, you know I feel  
Just make it fast before I go I'm a dying man, oh yeah, that's all I am  
I'm a dying man, yeah, that's all I am Come on sugar, give me everything you got  
I love you so I'm feelin' hot 'Cause I'm a dying man, well that's all I am  
Yeah, that's all I am  
That's all I am, that's all  
That's all I am
