Blinded

Waco Jesus

Our fucking lives are meaningless every day every minute this world is just a gaping cunt wating to get fucked go ahead and fuck it, cum up inside it I've seen the future we have no motherfuckin' future destroying myself, wasting away you fucking hate me, I wouldn't want it any other way subhuman sinner perverted loser degenerate all the motherfuckin' above I fucking refuse to let you shove more shit down my fucking throat fuck that shit I choose to destroy myself you can a go and fuck yourself Don't tell me, about the aftermath because I really don't give a shit Drug-lubricated pleasure is why I live what part of fuck it don't you understand what part of fuck you don't you understand self indulgence, is my addiction the need to fuck them and slit their throat wide open destroying myself, wasting away you fucking hate me I wouldn't want it any other way subhuman sinner perverted loser degenerate all the motherfucking above full blown motherfucking self- indulgence when it's all said and done none of this means shit, fear inspired by a fucking celibate hypocrite take your faith an fellowship and shove it right up your ass open your fucking eyes this is your wake up call your life is a fucking waste of time a fucking phenomenon our fucking lives are meaningless every day minute this world is just a gaping cunt waiting to get fucked your life is meaningless it doesn't mean shit [Repeat].
