

# Stare At You

## New Kids on the Block

I still get lost, caught in a daze,  
Tongue tied, just like the very first day I saw you and I'm so amazed  
'Cause the look that got me twisted still hasn't changed  
Your sexy eyes never lie,  
Baby, I lose myself (when they open)  
Girl, forget about goin' out  
Baby, I'd rather not (so, I'm hoping) I could just stare at you forever (oh, baby)  
I can be here with you doing whatever (my lady)  
It's not the way you look that brings me to my knees,  
It's the way you look at me  
I could just stare at you forever  
If forever you were staring at me  
What do you see? I can't figure it out  
You're talking to my heart without making a sound  
I can't lose when I'm caught in your eyes  
(I feel like superman) got me up in the sky  
Your sexy eyes never lie  
Baby, I lose my ground (you're so gorgeous, oh)  
Girl, forget about goin' out  
Baby, I want you now  
I could just stare at you forever (oh, baby)  
I can be here with you doing whatever (my lady)  
It's not the way you look that brings me to my knees,  
It's the way you look at me  
I could just stare at you forever  
If forever you were staring at me  
Baby, keep the lights on  
I'm gonna stare at you all night long  
And we'll keep rocking 'till the sun shines  
Waiting 'till the moonlight to do it again  
I could just stare at you forever (oh, baby)  
I can be here with you doing whatever (my lady)  
It's not the way you look that brings me to my knees,  
It's the way you look at me  
I could just stare at you forever  
If forever you were staring at me
