

# Soul Kitchen

## The Buddy Rich Big Band

Well, the clock says, "It's time to close now"  
I guess I'd better go now  
I'd really like to stay here all nightThe cars crawl past all stuffed with eyes  
Street lights share their hollow glow  
Your brain seems bruised with numb surpriseStill one place to go  
Still one place to goLet me sleep all night in your soul kitchen  
Warm my mind near your gentle stove  
Turn me out and I'll wander, baby  
Stumblin' in the neon grovesWell, your fingers weave quick minarets  
Speak in secret alphabets  
I light another cigaretteLearn to forget, learn to forget  
Learn to forget, learn to forgetLet me sleep all night in your soul kitchen  
Warm my mind near your gentle stove  
Turn me out and I'll wander, baby  
Stumblin' in the neon grovesWell, the clock says, "It's time to close now"  
I know I have to go now  
I really want to stay here  
All night, all night, all night
