

I Shot The Dj

Scooter

Comin' at ya like Cleopatra
Yes
Check us out, close the door
We're comin' at ya, get some more
Check us out, what to do?
This tune is set, it's up to you
I wanna check it out
Punani, punani
I wanna check it out
I shot the DJ
I shot the DJ
I shot the DJ
Check us out, turn the bass
We're comin' at ya, right in your face
Check us out, no control
From the desk to your soul
I wanna check it out
Punani, punani
I wanna check it out
I shot the DJ
I shot the DJ
I shot the DJ
I wanna check it out
I wanna check it out
I shot the DJ
I shot the DJ
I shot the DJ
Yea, c'mon
I wanna check it out
