

Do I Belong?

Kingdom Come

Been so long since I felt so strong
I'm scared to fall in love
Many times I've been hurt before
It seems I can't get enough
Since your touch put a spell on me
I cannot ease my mind
Is it you I've been looking for?
I'm searching deep down inside
Hit me by surprise
Right between the eyes
I just hope that in time we'll know
It's not a fairy tale
Disbelief, that is all I feel
I've been through Heaven and Hell
Even though after what I know
I'm breaking down the walls
Feeling strong whether right or wrong
I'm gonna get through it all
Hit me by surprise
Right between the eyes
Do I belong, do I belong
Are you the one reaching for the sky?
Hit me by surprise
Right between the eyes
Do I belong, do I belong
Are you the one reaching for the sky?
