

# Tell Her

Jesse McCartney

I know how it feels  
To wake up without her  
Lying here all alone  
Just thinking about her I can't believe  
Her hold on me  
It's something indescribable  
I know she knows  
But won't you please If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
But I know when she  
Holds onto me  
She's the one thing that I could never live without  
Oh oh oh  
Tell her I love her Oh yeah, just tell her I love her The way that she moves  
You know what it does to me  
When I catch her eye  
I can hardly breathe Still can't believe  
Her hold on me  
She's just so indescribable  
I know she knows  
But won't you please, please yeah If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
But I know when she  
Holds onto me  
She's the one thing that I could never live without  
Oh oh oh  
Tell her I love her Every time that I'm around her  
I just go to pieces crashing, tumbling to the ground  
I'm so glad I found her I know how it feels If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
But I know when she  
Holds onto me  
She's the one thing that I could never live without

Oh oh oh  
Just tell her I love her If you see my girl  
Just tell her I miss her smile  
Tell her I'm counting the minutes  
Gonna see her in a little while  
But I know when she  
Holds onto me  
She's the one thing that I could never live without  
Oh oh oh  
Oh oh oh  
Oh oh oh  
And tell her I love her  
Tell her I love her
