

# What's the Matter With Parents Today

**NOFX**

Mom and Dad, how'd you get so rad, when exactly did you get so hip  
Wearing teenage clothes you're always coming to my shows  
And telling me that I should mellow out It's absurd, you're singing every word  
You're not supposed to like my band. Things I like you don't understand  
So please put down that rum and coke, that's no behavior for old folk  
Can't we just hang out on holidays Dad and Mum, what planet are you from.  
And what convinced you to pack up and leave  
Doing drugs and asking me for hugs, what's the matter with parents today Not again, when will it end  
Dad's dressing like Motley Crue and why is Mom's hair dyed bright blue  
They're staying out till 2 or 3 and then having sex publicly  
I thought the apple fell far from the tree Mom and Dad I think you ought, to quit smoking so much pot  
And hanging with my friends  
Laying round on the couch, with my Misfits records out  
Softly bangin your heads Maybe it's just a passing phase  
What's the matter with my parents these days
