## Noir D'Osir

Marlene, Marlene  
You're the prettiest girl I've ever seen  
Do you care for me at all, Marlene, I care for you  
And I just don't care who knows it  
And I guess that means that I love youMarlene, Marlene  
Who'd believe that you're only seventeen  
I'm in trouble if your folks get mean  
And if they do, then I don't care if they bust me  
And I guess that means that I love youI don't need no fantasies, just one thing I need  
If you could make it here, MarleneDear Marlene, Marlene  
When I think that it all is just a dream  
I remember that your eyes are green and mine are blue  
Then they will always see each other  
And I guess that means that I love youI don't need realities, just one thing I need  
If you could make it here MarleneDear Marlene, Marlene  
Marlene, I'm depending on you now  
MarleneI'm depending on you now  
Marlene  
I'm depending on you now  
Marlene  
I'm depending on you now  
Marlene
