

Please Come Home For Christmas

Harry Connick, Jr.

Bells will be ringing, this sad, sad news
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again
Choirs will be singing 'O Silent Night'
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas then by New Year's night
Friends and relations send salutations
Sure as the stars shine above
For this is Christmas, it's Christmas my dear
It's the time of year to be with the one you love
So won't you tell me, you'll never more roam
Christmas and New Year will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy once again
Friends and relations send salutations
Oh, as sure, as sure as the stars shine above
For this is Christmas, it's Christmas, my dear
It's the time of year to spend with the one you love
Oh, won't you tell me, you'll never roam
Christmas and New Year will find you home
There'll be no more sorrow, no grief and pain
And I'll be happy, happy once again
Well, well, well, well, alright
