

Keep Dancin' On Me

Ciara

Ohh yeah
Waaaahhh
Yeah

Lead me out on the floor
Bring ya body closer
Take it all, give me more, do me like ya supposed to
Move with me left and right slide your hands over mine
Using all your imagination, leave everything behind

Take my hand, lay on my face
Feel my heart tumbling

Dark corners, flashing lights, keep the music coming

Iâ€™m off the earth, on the stars
I ainâ€™t worried about tommorrow

Keep going â€™till the world disappears

Keep dancing on meâ€™
Ohhâ€™
Uh oohâ€™
On meâ€™
(â€™Till the world)â€™
Keep dancing on meâ€™
Ohhâ€™
Uh ooh
On meâ€™

Take the lead, raise the floor
Take a turn, pass the shadow

Taste the air, touch me there
Lean to me, nothing matters
Tell my ears truthful liesâ€™

Honest whispers make me sighâ€™
Send me leftâ€™

Send me right

Iâ€™m going outta my mind
See me smile, make me want to go on and on
Iâ€™m in peace sincerity, Iâ€™m where I belong

Iâ€™m off the earth, on the stars
I ainâ€™t worried about tomorrow

Keep going â€™till the world disappears

Keep dancing on meâ€™
Ohhâ€™
Uh oohâ€™
On meâ€™
(â€™Till the world)â€™
Keep dancing on meâ€™
Ohhâ€™
Uh ooh
On meâ€™

Hold me bay, deep inside your mind

Stay with me one more song

Until my body is melting away, away, away

Keep dancing on meâ€™
Ohhâ€™
Uh oohâ€™
On meâ€™
(â€™Till my bodyâ€™s melting away)â€™

Keep dancing on meâ€™
Ohhâ€™
Uh ooh
(On me, on me, on me, on me, on me)
On meâ€™

Keep dancing on meâ€™
Ohhâ€™
Uh oohâ€™
On meâ€™
