Send Me Move Me Love Me

Beverley Knight

(Over and over and over)
Send me, move me love me
(Over and over and over)
Send me, sugar
Have you ever seen me sit and wonder
Why you're here with me?
Of anyone you'd have your pick
Yet here is where you choose to be, oh oh
When you ask me why I smile
(When you ask me why I smile)
Whenever you say my name
(My name, my name, my name)
See when you speak you got this tone
(Talk to me, babe)
Gives me thoughts I shouldn't say, ooh
Heaven preordained this
Nothing on earth could break us
(Ooh, over and over and over again)
Send me
(Send me)
Move me, love me
(Ooh, over and over and over again)
Send me
(Love me, baby)
(Move me, baby love)
Sugar, oh
Lover's rock describes your groove
Rude boy, love is heavenly
(Rude boy, gimme, rude boy, love, come on)
Cocoa butter, chocolate, smooth
(Cocoa butter, chocolate, smooth)
Dark skinned angel all for me
(Yeah, yeah)
Heaven preordained this
Nothing on earth could break us

(Ooh, over and over and over again)
Send me, move me, love me
(Ooh, over and over and over again)

Send me
(Love me, baby)
(Move me, baby love)
Love just doesn't say enough
(Enough, enough)
And yet it's everything and more
God gave you all the stuff
(Sent me an angel)
To give me what I'm looking for
Heaven preordained this
Nothing on earth could break us
Send me
(Send me)
(Move me)
(Love me)
Sugar, don't you know?
Don't you know? Send me
(Love me, baby)
(Move me, baby love)
(Ooh, over and over and over again)
Send me, move me, love me
(Ooh, over and over and over again)
Send me
(Love me, baby)
(Move me, baby love)
(Ooh, over and over and over again)
Send me, move me, love me
(Ooh, over and over and over again)
Send me
(Over and over and over again)
(Move me, baby love)
For those who know
