

# Here's What It Takes

## Steven Page

Here's what it takes to survive;  
Saturday's fever means you're staying alive  
Of course  
An 8-ball of coke  
You're angry and broke  
My Mother misspoke by telling me the truthHere's what it takes to believe  
Drink down the Drano 'til the demons all leave  
I won't go  
I told you I don't want to knowHere's what it takes to regret  
Wake up sleepwalking in your father's footsteps  
The fridge door was open again  
There's leftover blame  
You're eating your shame and choking on the truth  
Here's what it takes to be heard  
And we rejoin us to discouraging words  
I won't go  
I told you I don't want to knowOh whoa whoa  
Oh whoa whoa  
Oh whoa whoa  
What we once kept hidden from our parents  
Now we keep it hidden from our kids  
No second chances ever in this life  
Just another chance to make the same mistake twiceHere's what it takes to deny  
Let's make a movie 'bout a hardworking guy  
Who wastes time with family and friends  
And likes to pretend  
That when it all ends he is closer to the truth  
And if the least you can do  
You fail your parents like you think they failed you  
And let go  
I told you I don't want to know  
NooooooooooooooHere's what it takes  
Here's what it takes  
Here's what  
Here's what it takes  
Here's what it takes  
Here's what  
Here's what it takes  
Here's what it takes

Here's what  
Here's what it takes  
(Here's what it takes to forget)  
Here's what it takes  
Here's what  
Here's what it takes  
(Here's what it takes from you yet)  
Here's what it takes  
Here's what  
Here's what it takes  
(Here's what it takes to believe)  
Here's what it takes  
Here's what  
Here's what it takes  
(Here's what it takes from you and me)  
Here's what it takes  
Here's what  
Here's what it takes  
Here's what it takes  
Here's what  
Here's what it takes  
Here's what it takes  
Here's what  
Here's what it takes  
Here's what it takes
