

Finest Worksong (Remastered 1999)

R.E.M.

The time to rise has been engaged
You're better best to rearrange
I'm talking here to me alone
I listen to the finest work song
Your finest hour, your finest hour Another chance has been engaged
To throw Thoreau and rearrange
You are following this time
I beg you not, beg to rhyme (blow your horn)
Your finest hour (blow your horn), your finest hour Take your instinct by the reins
Your better best to rearrange
What we want and what we need
Has been confused been confused (blow your horn)
Your finest hour (blow your horn), your finest hour Take your instinct by the reins
Better best to rearrange
What we want and what we need
Has been confused been confused (blow your horn)
Your finest hour (blow your song)
Your finest hour (blow your horn)
Your finest hour (blow your song)
Your finest hour
