

# Macy's Day Parade

## Green Day

Today's the Macy's Day parade  
The night of the living dead is on it's way  
With a credit report for duty callIt's a lifetime guarantee  
Stuffed in a coffin, 10 percent more free  
Red light special at the mausoleumGive me something that I need  
Satisfaction guaranteed to you  
What's the consolation prize?  
Economy sized dreams of hopeWhen I was a kid, I thought  
I wanted all the things that I haven't got  
Oh, but I learned the hardest wayThen I realized what it took  
To tell the difference between  
Thieves and crooks  
Lesson learned to me and youGive me something that I need  
Satisfaction guaranteed  
'Cause I'm thinking about a brand new hope  
The one I've never known  
'Cause now I know it's all that I wantedWhat's the consolation prize?  
Economy sized dreams of hope  
Give me something that I need  
Satisfaction guaranteed'Cause I'm thinking about a brand new hope  
The one I've never known and where it goes  
And I'm thinking about the only road  
The one I've never known and where it goesAnd I'm thinking about a brand new hope  
The one I've never known  
'Cause now I know it's all that I wanted
