

Right Now

Smokie Norful

It's time to worship Jesus
It's time to honor Him
It's time to bless the Lord right now Stand up and worship Jesus
Stand up and honor Him
Stand up and bless the Lord right now (Chorus:)
I will bless the Lord at all times
And His praises shall continually be in my mouth
Yes it's time
It's time
Right now it's time
It's time to praise the Lord
Right now
Right now
Right now
Right now
Come on and worship Jesus
Come on and honor Him
Come on and bless the Lord right now Clap your hands and worship Jesus
Clap your hands and honor Him
Clap your hands and bless the Lord right now (Chorus) Don't wait until tomorrow
Give Him the praise today
Magnify the Lord with me right now This is our time together
That we will never see again
So everybody bless the Lord right now (Chorus)
It's time to worship
It's time to honor
It's time to thank Him
Bless the Lord right now
(repeat x4)Right now!
