Doesn't Matter Much

Blood Red Shoes

Have it your way, we'll have the answers in a week
We'll take some measurements and work it out with the sums
Cos their way, what a way, anyhow it doesn't matter much
Cos their way, what a way, anyhow now it's got stuck, it just wasn't enoughLow low low, low low low
Find a reason why, find a reason whyPay attention son, you might learn something
You work real hard at it and just look what you could be
You soak it up, every word of advice, still it's missing
You're searching for something so invisible, raise your glasses to cheer for what you're notLow low low, low low low
Find a reason why, find a reason why I...
