

# Get Outta My Way (Bimbo Jones Piano Mix)

Kylie Minogue

What's the worst thing that could happen to you?  
Take the chance tonight and try something new  
You're getting boring; you're oh-so boring  
And I don't recognize the zombie you turn into  
Don't worry 'cause tonight I got you  
You can take a seat, do what you normally do  
I'm about to let you see  
This is what'll happen if you ain't givin' your girl what she needs  
Leave you, move on to a perfect stranger  
You talk, I walk, wanna feel the danger  
See me with him and it's turning you on  
It's got me saying  
Getting me back at the end of this song  
Get outta my way  
Get outta my way  
Got no more to say  
He's taken your place  
Get outta my way  
Way outta my way  
Got no more to say  
He's taken your place  
Get outta my way  
Now I gotta taste; I wanna explore  
Ain't going to waste, no, not anymore  
You going hard now to win my heart, but  
Too many times now you've been calling her  
Don't worry 'cause tonight I got you  
You can take a seat, do what you normally do  
I'm about to let you see  
This is what'll happen if you ain't givin' your girl what she needs  
Leave you, move on to a perfect stranger  
You talk, I walk, wanna feel the danger  
See me with him and it's turning you on  
It's got me saying  
Getting me back at the end of this song  
Get outta my way  
Get outta my way  
Got no more to say  
He's taken your place  
Get outta my way  
Way outta my way  
Got no more to say  
He's taken your place  
Get outta my way  
And, no, I ain't goin' home 'cause I wanna stay  
But I won't be alone, no how, no way  
Now I've showed you what I'm made of
