

Free (FT. Jack Johnson)

Donavon Frankenreiter

We could let this love be the fading sky
We could drift all night until the new sun rise
Pass me a drink or maybe two
One for me and one for you And we'll be free
Free
Free
Free Here comes Kona Winds and the changing tide
We better drop them sails and get inside
When will the weather ever let us go
I guess we'll have to wait until the trade winds blow When we'll be free
Free
Free
Free There's nothing in between
What we are, what we see
There's nothing in between
What we are, what we see,
What we are, we are just On a life boat sailing home
With our drunken hearts and our tired bones
Well I just take one last look around
Yeah and every place feels like a familiar town And now we're free
Free
And don't chya want to be
Free
From time to time a little
Free
(hey now now)
Free
I know you know your
Free
Feels so good to be
Free
Free
