Killing Joke

And the third angel sounded
And a star fell from heaven
Burning as it were a lamp
And it fell upon the 3rd part of the waters Asteroid I'm a ball of fire
Fire from heaven
Terror from nowhere
You'll never shoot me down
Days turns to minutes
Five seconds till it hits us
Three seconds to ground
One second to Asteroid
Coming in from the void On the bed of the ocean
Where history lies
Strange civilizations
Vaporized
Days turns to minutes
Five seconds till it hits us
Three seconds to ground
One second to Asteroid I.N.R.I
Nature renewed by fire made whole And I climb to the mountain
Light to dark
Behind time and space
A hole in your Ark
Days turns to minutes
Five seconds till it hits us
Three seconds to ground
One second to Asteroid
