

Partyup

Prince

We don't give a damn
We just want to jam, party up
(Party up, got to party up)
That army bag, such a double drag, party up
(Party up, got to, got to, got to party up)
Party, got to party down, baby
Revolutionary rock and roll
Goin' uptown, baby, ooh
How you gonna make me kill somebody I don't even know?
They got the draft, uh, uh I just laugh, party
(Party up, got to party up)
Fightin' war is such a fuckin' bore, party up
(Party up, got to, got to, got to party up) Party, uh, uh, got to party down, babe
Oh, it's all about what's in your mind
Goin' uptown, baby, ooh
I don't want to die I just want to have a bloody good time
Party up, got to party up
Party up, got to party up Because of their half-baked mistakes
We get ice cream, no cake, all lies, no truth
Is it fair to kill the youth?
Party up
Got to party up, yeah
Got to party up, babe, ooh
Got to party up yeah
Got to party up babe, ooh
Got to party up yeah, oh oh
Got to party up babe, ooh
Got to party up, yeah
Got to party up, babe, yeah, yeah-yeah (Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Revolutionary rock'n'roll)
(Party up, got to party up)
(Party up, got to party up)

(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up)
(Party up, got to party up, baby)
(Party up, got to party up, yeah)
You gonna have to fight your own damn war (party up, got to party up)
'Cause we don't wanna fight no more (party up, got to party up)
You gonna have to fight your own damn war (party up, got to party up)
'Cause we don't wanna fight no more (party up, got to party up)
You gonna have to fight your own damn war (party up, got to party up)
'Cause we don't wanna fight no more (party up, got to party up)
I said we don't wanna fight no more (party up, got to party up)
'Cause we don't wanna fight no more (party up, got to party up)
