

Only Women Bleed

Alice Cooper

Man got his woman to take his seed
He got the power, oh, she got the need
She spends her life through pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often
He smokes and drinks and don't come home at allOnly women bleed
Only women bleed
Only women bleedMan makes your hair gray, he's your life's mistake
All you're really lookin' for is an even break
He lies right at you, you know you hate this game
He slaps you once in a while and you live and love in pain
She cries alone at night too often
He smokes and drinks and don't come home at allOnly women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleedMan got his woman to take his seed
He got the power, oh, she got the need
She spends her life through pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often
He smokes and drinks and don't come home at allOnly women bleed
Only women bleed
Only women bleedBlack eyes all of the time
Don't spend a dime, clean up this grime
And you there down on your knees
Begging me, please come watch me bleedOnly women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
